

Search My Heart – E

Verse 1:

E E/B E
Search my heart, You already know what I've become
 A
The fire in my heart is cold
 E
The passion You sparked is numb

Verse 2:

My heart aches, I'm wasting away and I can't take
Running away from grace
Night never turns to day

Chorus:

 A E B C#m
For I have run so far, far away from home
 A E Bsus B
But You have run so far to find me
 A E G#m C#m
In my weakness, Lord, I believe You're strong
 A B E
To make me all I'm called to be

Verse 3:

I am called to more than devotion to this world
I know that I'm called to die
And after I fall to rise

Bridge:

 A E B C#m
Oh how great is the love that You lavish on me
 A E Bsus B
So much more than I hoped or deserved
 A E G#m C#m
Still my soul, and awake to His promise to me
 A B E
Of a love that I could not earn
